5. Candidature

All eligible natural and legal persons (as per item 4 above) or groupings of such persons (consortia) may apply.

A consortium may be a permanent, legally-established grouping or a grouping which has been constituted informally for a specific tender procedure. All partners of a consortium (i.e., the leader and all other partners) are jointly and severally liable to the contracting authority.

The participation of an ineligible natural or legal person will result in the automatic exclusion of that person. In particular, if that ineligible person belongs to a consortium, the whole consortium will be excluded.

6. Number of applications or tenders

No more than one application or tender can be submitted by a natural or legal person whatever the form of participation (as an individual legal entity or as leader or partner of a consortium submitting an application/tender). In the event that a natural or legal person submits more than one application or tender, all applications or tenders in which that person has participated will be excluded.

In case of lots, the candidates or tenderers may submit only one application or tender per lot. Contracts will be awarded lot by lot and each lot will form a separate contract.

Tenders for parts of a lot will not be considered. Tenderers may not submit a tender for a variant solution in addition to their tender for the works or supplies required in the tender dossier.

Any tenderer may state in its tender that it would offer a discount in the event that its tender is accepted for more than one lot.

7. Tender guarantee

Tenderers must provide a tender guarantee of **EUR 5,500** for **Lot 1** and **EUR 7,500** for **Lot 2** when submitting their tender. This guarantee will be released to unsuccessful tenderers once the tender procedure has been completed and to the successful tenderer upon signature of the contract by all parties.

8. Performance guarantee

The successful tenderer will be asked to provide a performance guarantee of **5%** of the amount of the contract at the signing of the contract. This guarantee must be provided together with the return of the countersigned contract no later than 30 days after the tenderer receives the contract signed by the contracting authority. If the selected tenderer fails to provide such a guarantee within this period, the contract will be void and a new contract may be drawn up and sent to the tenderer which has submitted the next cheapest compliant tender.

9. Information meeting and/or site visit

An **optional** information meeting will be held on **Wednesday May 3rd, 2023 at 11:00 a.m.**

Association of Lebanese Industrialists – ALI,

Sanayeh, Justinien Street, CCIAB Building, 5th floor, Beirut, Lebanon

10. Tender validity

Tenders must remain valid for a period of 3 months after the deadline for submission of tenders. In exceptional circumstances, the contracting authority may, before the validity period expires, request that tenderers extend the validity of tenders for a specific period.

11. Grounds for exclusion

Candidates or tenderers must submit a signed declaration, included in the application form or tender form, to the effect that they are not in any of the situations listed in Section 2.6.10.1 of the **practical guide (PRAG)**. Where the candidate or tenderer intends to rely on capacity providing entities or subcontractor(s), he/she must provide the same declaration signed by this/these entity(ies).

Candidates or tenderers included in the lists of EU restrictive measures (see Section 2.4. of the PRAG) at the moment of the award decision cannot be awarded the contract.

12. Sub-contracting

Sub-contracting is allowed.

13. Provisional date of invitation to tender

March 2023

14. Provisional commencement date of the contract

July 2023

15. Period of implementation of tasks

150 days from the commencement order date until the provisional acceptance.

SELECTION AND AWARD CRITERIA

16. Selection criteria

The selection criteria are described in section 12.2 of the instruction to tenderers

17. Award criteria

The most economically advantageous tender is the technically compliant tender with the lowest price.
