1	Kindly advice how can we get the tender document for EuropeAid/140-810/ID/SUP/LB?	The tender can be downloaded from the DG International Cooperation and Development website: https://webgate.ec.europa.eu/europeaid/online-services/index.cfm?do=publi.welcome , the ESFD website: www.esfd.cdr.gov.lb and the CDR website: http://www.cdr.gov.lb .
2	I have few questions, but the main one regarding the country of origin of lot 3 for the backhoe loader. Do you accept a Chinese made machine owned by a European company?	All supplies under this contract/lot no 3 must originate in one or more of eligible countries. However, they may originate from any country when the amount of the supplies to be purchased per lot is below EUR 100 000. The detailed list of eligible countries is attached to the published minutes of information meeting, and is available on the Europe aid website: http://ec.europa.eu/europeaid/prag/annexes.do?group=a .
3	Regarding to the attached file, page 6 at the top of the page: This financial offer should be presented as per template (Annex IV*, Budget breakdown), adding separate sheets for details if necessary. An electronic version of the financial offer. The Annex IV is the model of the financial offer: Could you clarify how can we submit the electronic offer?	The electronic version of the financial offer meaning computerized version i.e. «the submitted financial offer using Annex IV template» must be saved in «pdf file», and presented in a «Flash Memory» or «CD».
4	Regarding to the backhoe Loader specs, All our machines has a standard System Pressure: 210 bar, Is it acceptable as it can be covered by (±5%) from the required value? *the required value is 220 bar.	No. The required specification remains unchanged.
